

In need of specialist MFL teachers?

Do you have non-specialists teaching Key Stage 3/4 French, Spanish or German?

Do you struggle to recruit specialist MFL teachers?

Why not “grow your own” specialist MFL teachers with this **DfE funded** teacher subject specialism training in secondary MFL, funded by the National College for Teaching and Leadership?

- Course designed and delivered in partnership with the TES Institute.
- Series of 8 workshops on the key topics.
- Opportunity to develop spoken language skills.
- Bespoke differentiated approach to meet teacher needs.
- Gap tasks to ensure maximum impact in the classroom.
- £200 bursary paid to the school on successful completion of the course.

Details

“Don’t just take our word for it...”

Previous TSST Participants:

“I now have a much better understanding of the changes in the new GCSE system.”

“There is so much to learn from the online modules and all the links and videos.”

“I have learned strategies to help pupils achieve their best no matter of their ability and developed skills necessary to help students learn and be more motivated.”

TES Institute:

“The largest UK provider of Subject Knowledge Enhancement programmes.”

“Highly practical programmes allow students to study at their own pace, whilst working or teaching, and learning from expert educators and their peers.”

“Through the very best of both digital and blended learning, TES Institute will give teaching staff the skills to teach with confidence and schools the ability to attract, train and retain the very best.”
